Disclaimer of liability:

Liability for contents

The contents of the blog were created with the greatest conscientiousness. However, no guarantee for the accuracy, completeness and timeliness of the content can be given. According to § 7 Abs.1 TMG I am responsible as a service provider for my own contents according to the laws. According to §§ 8 to 10 TMG, however, I am not obliged as a service provider to check external information (transmitted or stored) or to monitor it according to circumstances that indicate illegal activities. The obligation to remove information according to the general laws remains unaffected. However, this liability is only possible from the time of knowledge of a concrete violation of the law. Should such infringements occur, I will remove them immediately after becoming aware of them.

Liability for links

This blog contains external links to websites of third parties. On these contents I have no influence and can take over for these unknown contents also no guarantee. The contents of the linked internet pages are always the responsibility of the respective provider or operator of the internet pages. At the time of linking, the external pages were checked for possible violations of the law. It was not recognizable at this time of linking. A permanent control of the contents of the linked pages is not reasonable without concrete evidence of a violation of the law. Should violations of the law become known, I will remove such links immediately.

Copyright

The created contents (texts, pictures) and works on this blog are subject to German copyright law. Duplication, processing, distribution and any kind of use outside the limits of copyright law require the written consent of the respective author or creator. Downloads and copies of this blog are only permitted for private, non-commercial use. If the contents of these blogs have not been created by the operator, the copyrights of third parties will be respected. In particular, third-party content will be identified as such. If you have nevertheless identified an infringement of copyright, please inform me accordingly. I will remove such contents as soon as I become aware of them.
